

Request to visitors

In order to prevent the spread of Covid-19,
we ask for your cooperation with the following:

- Please refrain from entering the museum if you have a fever or cough.
- Please wear a mask when you visit the museum.
- Please disinfect your hands with the disinfectant provided inside the museum.
- Please comply with a temperature check and filling out the reception slip at the reception.
- Please keep your distance from other people and refrain from talking in the museum.
- Access to the museum may be temporarily restricted in the event of crowding.

The museum is taking measures such as providing disinfectant, cleaning doorknobs and other parts that come into contact with hands, and using ventilation.

Staff members wear masks and undergo temperature and health checks. We ask for your understanding and cooperation.
